

PROSPECTUS

“

Excellence is an art won by training and habituation... We are what we repeatedly do. Excellence, then, is not an act, but a habit.

”

THE STORY OF PHILOSOPHY, WILL DURANT

PROSPECTUS

## CARDIFF SIXTH FORM COLLEGE

THE UK'S LEADING INDEPENDENT SCHOOL

Among the UK's best schools, Cardiff Sixth Form College stands out as unique. Specially designed for ambitious, able, and hardworking students, Cardiff offers world-class teaching alongside exceptional facilities to help pupils win places at the best universities in the world.

Rated the top private school in the UK, the college has been number one in national A-level results over the past 11 years, with 99% of students achieving A\*-A grades and 100% A\*-B in 2020. We encourage students to reach beyond their academic horizons and strive for high achievement: This year 76% won places at QS100 universities worldwide and 50% went onto G5 universities – Oxford, Cambridge, Imperial College, London School of Economics, and University College London with 28% going on to study Medicine and Law.

With over 40 different nationalities among our student body, we are also a truly international community of learners.

The college provides an excellent bridge between school and university, with pupils encouraged to develop independent learning skills and a mature approach to both study and day-to-day living.

Throughout this prospectus (and our website, [www.ccoex.com](http://www.ccoex.com)), you will learn about the remarkable benefits our students enjoy and the immense rewards they can expect as a result. If you like what you see, please do get in touch with us and find out for yourself what Cardiff Sixth Form College has to offer.

Gareth Collier  
Principal

## WHY CARDIFF?

### Our academic results are among the best in the world.

There are many reasons why Cardiff Sixth Form College pupils go on to achieve great things. Among them are the friendly, multicultural atmosphere of the college and the culture of scholarship supported by our world-class teaching team. This means the pupils can expect:

- Individual or small group tuition and mentoring
- Almost double the number of teaching hours per subject than other schools
- Expert instruction, with many teachers having served as examiners or inspectors
- Close monitoring of progress
- Dedicated support for university applications

### CONSISTENTLY WORLD-CLASS

Top school in the UK over the past nine years for A Levels (*Daily Telegraph, The Times*).

Year	A*- B(%)	A*- A(%)	A*(%)
2020	100	99	74
2019	99	90	52
2018	96	88	54
2017	99	92	64
2016	99	93	57

For the last 10 years:

- **The only school in the UK averaging over 90% A\*-A for 10 years**
- **The only school with an average A\* achievement of over 55%**
- **The only school with an average of 99% A\*-B grades**

For nine out of 10 years, the College has been listed as:

- **Top Private School in the UK**
- **Top Private Co-Educational Sixth Form**
- **Top Private Sixth Form College for A-levels in the UK**

(Source: *The Education Advisers' League Tables*)

## ACADEMIC SUBJECTS

Cardiff offers students the perfect academic programme for admission to top universities. Our academic programme is built on a focused approach to A-levels, the internationally respected standard for school-leaving qualifications.

### A-LEVELS

Students at Cardiff get the chance to specialise in four subjects of their choice in the first year (AS) of Sixth Form and continue with three or four subjects in the second (A2) year.

Art	French	History
Biology	Further Mathematics	Mathematics
Chemistry	Geography	Physics
Economics	German	Psychology
English Literature	Government and Politics	

### KEY FACTS

- **Age:** 16-17 at time of enrolment
- **Course length:** Two years
- **Course start:** August (pre-sessional) or September
- **Hours per week in class:** 25
- **Average student/teacher ratio:** 1:7

### IELTS PREPARATION

International English Language Test System (IELTS) exams often feature as part of UK university entrance requirements. Cardiff Sixth Form College provides exam specialists and experienced English teachers to ensure that students understand the test and are properly prepared to maximise their IELTS scores.

### GCSES

GCSEs are the prior qualification to A-levels, usually taken around the age of 16. Results are often taken into account in the admissions process for top universities. Cardiff offers these qualifications through an intensive one-year GCSE course, from which many students may progress to A-level study in our award-winning Sixth Form.

Our GCSE students study between six and eight subjects depending on their ability and English language proficiency. The curriculum also includes tutorials covering citizenship, as well as personal, social, health, economic, and physical education.

#### Core Subjects

- Biology
- Chemistry
- English (as a first or second language)
- Physics
- Mathematics

#### Options

- Art
- Economics
- French
- Geography
- German
- History

### KEY FACTS

- **Age:** 15-16 at time of enrolment
- **Course length:** One year
- **Course start:** September

Student's first language (when it is not English and is available as an IGCSE)

## A UNIQUE CURRICULUM

Developing career and life skills is central to all education at Cardiff Sixth Form College.

As well as aiming for top A-level grades and universities, the college helps students build management and project skills, teamwork, confidence, and a healthy mindset. Our teaching approach also places considerable emphasis on independent learning – to look beyond simple answers and demonstrate a passion for knowledge and discovery.

### ACADEMIC COURSES

- **Critical Thinking:** In this course, students are encouraged to explore questions from multiple perspectives in order to understand how different disciplines construct and convey knowledge. They examine beliefs, assumptions, and opinions against facts and learn to understand logic and logical argumentation.
- **Extended Project Qualification:** A research project based on a student's own interests, the EPQ is an exciting opportunity for students to take charge of their own learning. The end product is generally a 5,000-word essay, and the process of planning, researching, and presenting enables students to talk with authority about their chosen subject at interview.
- **Art Portfolio Course:** Students who are interested in studying Architecture or Art can undertake a portfolio course. This can be subject-specific, or draw on a variety of artistic media. The course involves regular assessment and feedback, as well as advice on presentation and content.

### PRACTICAL COURSES

The college also runs a series of practical courses that help students become more mature, resilient, and thoughtful in their interactions with others.

- **Effective communication:** Lessons on public speaking and debating.
- **Leadership:** Students have a number of options to develop their leadership skills – such as becoming Prefects, Digital Leaders, Wellbeing Officers, and committee members for major school events and activities.
- **Entrepreneurship:** Involvement in business workshops, Young Tycoons Awards, and Young Enterprise Scheme.
- **Mindfulness:** Workshops and discussions on mental health and resilience, as well as yoga and pilates classes.
- **Living Skills:** These include cooking classes, money management, washing, and ironing – and the school MasterChef Competition.

## A WEALTH OF EXPERIENCE

### Learning begins in the classroom...but doesn't end there.

Students at Cardiff Sixth Form College are encouraged to participate in a wide range of activities that teach core skills and help them plan their way forward through education and careers.

#### WORK OBSERVATION

Work observation and volunteering are key advantages when applying to top universities and we allocate two weeks every October and February for students to gain this experience. Our dedicated co-ordinator helps students gain placements at a variety of professional workplaces such as GP surgeries, nursery schools, veterinary clinics, law firms, financial institutions, and engineering companies.

#### INTERNATIONAL CITIZENSHIP EXPERIENCE

Cardiff Sixth Form College also runs the International Citizenship Experience (ICE) in international destinations such as India, Malaysia, Tanzania and Europe every July – a unique programme designed to give student work experience and observation, team building, leadership, and cultural awareness.

#### ENRICHMENT TRIPS

A variety of trips and outings are organised to enrich students' understanding of their subjects.

Biology trip to a coastal environment	Geography trip to Iceland
Engineering Bloodhound workshops	History trip to Poland
English Department theatre trips	Physics trip to CERN and Hadron Collider

#### CAREER SOCIETIES

Students are invited to join one of our tutor-led societies, depending on which career path they favour. These equip students to demonstrate their aptitude and motivation for their intended careers by facilitating regular discussions about current affairs, career knowledge, and new research in their fields. Examples include:

Architecture and Art Society	Humanities Society
Business, Economics, and Finance Society	Law Society
Engineering Society	Pure and Natural Science Society
Healthcare Society	

#### COMPETITIONS

Students are encouraged to participate in competitions to develop a wider understanding of subjects, gain life skills, and provide further demonstration of commitment for university applications. These include:

Model UN Conference	Space Settlement Design Competition at NASA
National Schools Challenge	Welsh Schools Debating Championship
Science Olympiads	World Scholars Cup
Senior Maths Challenge	Young Enterprise Scheme (for entrepreneurs)

## UNIVERSITY PREPARATION

**Our support programme gives students the best chance to achieve their potential.**

Cardiff Sixth Form College works tirelessly to support students with their university applications. Our preparation programme covers every aspect of university admission and runs for the full two years of Sixth Form. Specific measures include:

- One-to-one careers interviews, tailored advice and target setting
- The UCAS process/personal statement guidance
- Study skills and mock interview practice
- Timetabled preparation for admissions tests (BMAT, LNAT, TSA, STEP and other Oxford and Cambridge admissions tests)
- Group discussions and practical workshops
- Subject-specific talks by experts, including university lecturers and Admissions Tutors
- Curriculum-based trips to enrich subject and career knowledge
- Workshops from Dukes Education's Oxbridge, Medical and US Applications services
- University Open Days where students meet university admissions teams
- Guidance on the Common Application process (for US universities and colleges) and international university preparation (e.g. for Hong Kong, Canada, Australia, New Zealand and European universities)
- Ongoing support from Cardiff Sixth Form College's successful alumni

### OXBRIDGE

Students of exceptional academic ability are likely to consider applying to Oxford or Cambridge and will require specialist preparation. Our programme for Oxbridge applicants includes:

- Additional classes in Maths, Economics, Physics and STEP
- Interview training with Cardiff's Oxbridge Alumni and Dukes Education Oxbridge Applications experts
- Formal discussion of current affairs, news and events for interview
- Guidance on UCAS and Oxbridge college forms
- Tailored Oxbridge references
- Membership of the Oxbridge Society

### MEDICINE AND RELATED DEGREES

Students planning on applying for Medicine, Veterinary Science or Dentistry also receive specialist preparation. In addition to the Oxbridge programme above, this includes:

- Visits by medical school staff and current medical students
- Interview training with Cardiff Sixth Form College's Medical Alumni and Dukes Medical Applications
- Varied medical work observation placements
- Regular talks on topical issues in Healthcare
- Support from Cardiff Alumni studying medical subjects at universities

## SOCIAL ACTIVITIES AND SPORTS

Our students get involved in a huge range of activities and clubs for fun, relaxation and enrichment.

### DRAMA

The Glee Club is an extremely popular society and puts on a major show every year at a local professional theatre: past productions include *Grease*, *Hairspray* and *Mulan*. Students are also encouraged to perform in dance, drama or music at the Eisteddfod - a talent event held at The Wales Millennium Centre, home to the Welsh National Opera and the BBC National Orchestra of Wales - and The Cultural Event – the college’s major award ceremony of the year.

### SPORT

The college encourages all its students to be fit and active. State-of-the-art health and leisure facilities at our sports clubs include a gym, badminton and tennis courts, swimming pools, squash courts, regular Zumba and yoga classes, and a full range of fitness and dance classes. Football, tennis, basketball, table tennis, and netball matches are played between college Houses and against other schools – and if that’s not enough, we also stage an “Iron Man” fitness competition!

### MUSIC

Many students are musical and the college can organise private music lessons for most instruments. The college runs a choir as well as several musical groups, and the music room with its range of instruments makes it easy for students to practice and make music together.

### DUKE OF EDINBURGH AWARD

Students can take the Bronze, Silver or Gold Duke of Edinburgh Awards. They choose a service, physical and skills activities, go on an expedition and, to achieve the coveted Gold Award, take part in a residential project, building confidence and challenging their beliefs about their own capabilities.

### CLUBS AND SOCIAL EVENTS

Clubs are an excellent way to make friends – and if there isn’t yet a club or society that caters for pupils’ interests, they are encouraged to be creative and form their own. Current clubs include:

Amnesty International	Film	Swimming
Art and Photography	Football	Volunteering and Charity
Badminton	Futurology	Table Tennis
Basketball	Journalism and Editorial	Tennis
Computer Science/Robotics	Netball	Yoga
Dance	Strategic Games	
Debating	Philosophy	

Social events also run throughout the year, some organised by staff and others by the students themselves. Popular events include the Halloween Party, Christmas Ball, Paintballing, Thanksgiving Meal, charity events, picnics and of course, the Graduation Ball.

## BOARDING AND STUDENT CARE

Moving away from home to study is an exciting prospect. We understand the importance of helping students enjoy their time here as they begin living away from home.

### ACCOMMODATION

New students at Cardiff Sixth Form College are welcomed into one of the five Houses, where they occupy state-of-the-art boarding accommodation located just five minutes' walk from our teaching block at Trinity Court. Our accommodation provides bright, well-equipped, en-suite rooms, superfast broadband, access to personal or communal cooking facilities, relaxation and leisure areas, Music and Art rooms, and laundry facilities. CCTV and 24-hour security is also in constant operation.

### MEALS

The college provides a range of excellent meals for students in the school dining room, where food is offered as a buffet selection and includes fresh vegetables, fruit, and desert. The cuisine is usually a fusion of East and West, and includes halal, vegetarian, vegan, and special dietary requirements.

### HOUSE EVENTS

Students enjoy a fun challenge with their House peers to win points for the House Cup competition. Other events held include the Fashion Show, Sports Day, MasterChef, inter-House sports competitions, writing competitions, and filmmaking events.

### STUDENT WELFARE

Student welfare is our number one priority in everything we do. As well as full-time House Parents and assistants in each boarding house, there is also an on-site medical centre staffed by experienced healthcare practitioners and a college counsellor. All students are registered with the UK National Health Service, giving them access to the local GP doctor as well as emergency hospital care.

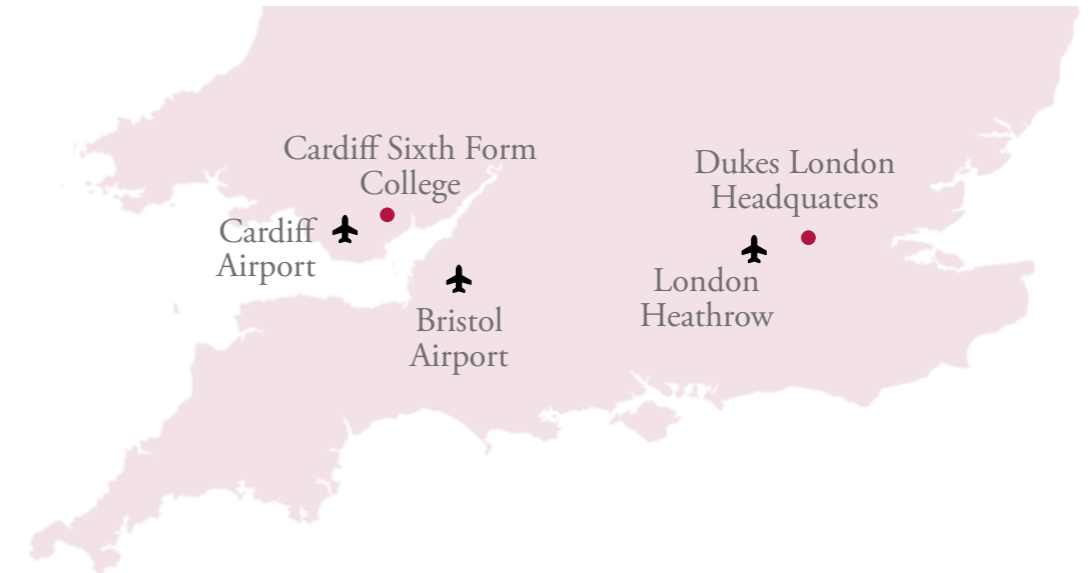

Cardiff students also have access to a multi-faith prayer room located at Trinity Court, a welcoming and accessible space for people of all faiths and traditions.

## ABOUT THE CITY OF CARDIFF

Cardiff is Wales's capital, a modern and cosmopolitan city located around two and a half hours west of London.

The city is commonly named one of the top places to live in the UK and offers charming Victorian arcades alongside ultra-modern shopping centres, attractive waterfront cafes, beautiful architecture, and international music and sport venues – all within walking distance of the college.

“

Without ambition one starts nothing. Without work one finishes nothing. The prize will not be sent to you. You have to win it.

”

RALPH WALDO EMERSON

# INTERNATIONAL UNIVERSITY DESTINATIONS 2017-2020

## AMERICAN CONTINENT

- Amherst College
- Brown University
- Boston University
- Duke University
- George Washington University
- New York University
- Northwestern University
- St George's University, Grenada
- University of British Columbia
- University of California Berkeley
- University of Minnesota Twin Cities

## EUROPE

- Queen Mary University of London (Malta)
- Royal College of Surgeons, Ireland
- Trinity College Dublin
- University College Cork
- University College Dublin
- Universitat de Barcelona
- Universidad de Navarra

## ASIA

- Chinese University of Hong Kong
- City University of Hong Kong
- Higher School of Economics, Moscow
- Hong Kong Polytechnic University
- International Medical University
- King Mongkut
- Mahidol University
- Peking University
- Srinakharinwirot University
- University of Hong Kong
- University of Tokyo

## AUSTRALIA

- Australian National University
- Griffith University
- Melbourne University
- University of Adelaide
- University of Melbourne
- University of New South Wales
- University of Sydney

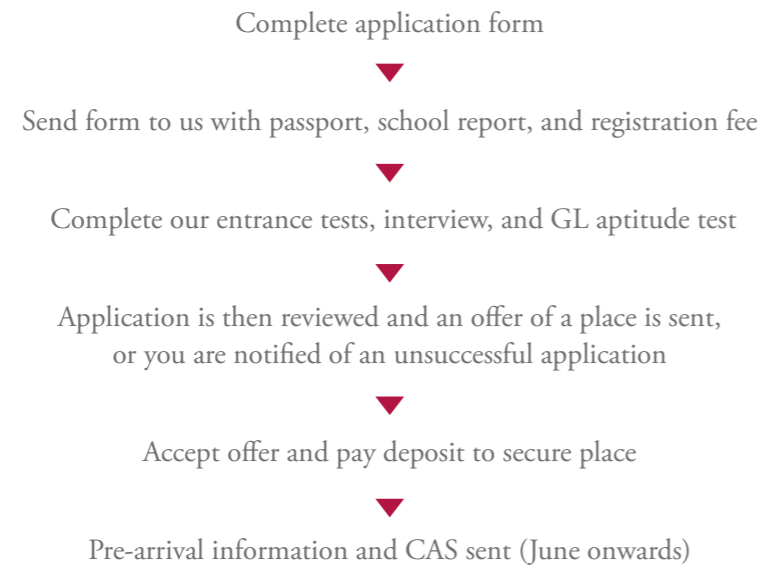

# APPLICATIONS

Get in touch with us today to take the first steps towards studying at the UK's top school.

We strive to make our admissions process transparent at all times. All applications are considered to be on an equal basis according to the following procedure:

For admissions information or to enquire further, get in touch with us at [admissions@dukeseducation.com](mailto:admissions@dukeseducation.com) or visit [ccoex.com](http://ccoex.com).

“Dukes Education is a **family** of schools and educational services based in the uk. Our schools are **distinctive** in identity and style, yet united in offering outstanding teaching and learning, providing the strongest **foundations** for young people to lead meaningful and fulfilling lives.”

TOGETHER WE'RE  
EXTRAORDINARY

**Cardiff Sixth Form College**

1-3 Trinity Court  
21-27 Newport Road  
Cardiff CF24 0AA

**E** [admissions@dukeseducation.com](mailto:admissions@dukeseducation.com)
